

SPRING PARENTING GROUPS

Professional Parenting Educators facilitate each group and follow a carefully designed curriculum. Each session includes group discussions and problem solving around topics of interest to you.

Starting first week in April:

- **Incredible** **INFANTS**

Discuss development, play, connection, and more.

- **Wonderful** **ONEs**

Meet other parents and learn about routines and strategies to help your curious explorer grow.

- **Terrific** **TWOs**

Learn about discipline as learning, the role of play, a 2-year-old's emotional, cognitive, and physical development.

- **Thrilling** **THREEs**

Gain support in discipline, setting limits, and handling upsets.
